

Digital art week
is supported by:

Have you seen this
art thief?

Get Your Class Involved

The aim of the project is to integrate technology with the Visual Arts. The week involves:

- ♦ Pupils creating pieces of digital art using mobile devices, software or websites
- ♦ Uploading the images to an online Gallery to share with others
- ♦ Taking part in an Art Treasure Hunt via Twitter
- ♦ Using Web 2.0 Tools to talk about the week: Twitter, Blogs, Wikis etc.

Register for digital art week

Register online to take part in the project:
