

## **Number - Picture Matching**

### **Numbers 1 - 5**

This activity is aimed at infant or SEN pupils at the beginning of work on numeracy. Laminate the following three pages. Place Velcro in the blank boxes on pages 2 and 3. Cut out the boxes on page 4 and attach Velcro to the rear of the boxes. Pupils then have to match the numbers to the pictures on page 2 and match the pictures to the numbers on page 3.
