# Breakfast Bingo

Educational bingo games are a great way for pupils to learn so many different skills. They help with listening skills, visual discrimination, group work, turn taking and the reinforcement of the learning content of that particular bingo game. They also act as a stimulus for oral language and conversation.

This bingo game focuses on the theme of "Breakfast" and it features images like bagel, porridge, marmalade, scrambled eggs etc. Twelve images in all are used. Six different bingo Cárta are included, so it would be useful for Station Teaching or small group work. Two ways of playing the bingo game are included – using either picture-picture matching or word-picture matching.

Print out and laminate sheets 2-7 for the pupils. Print and laminate multiple copies of either the picture Cárta or the words Cárta and cut them up individually. These could all be laminated so that they can be used again and again.

Place the deck of Cárta upside-down in the centre of the group. Each pupil selects a Cárta from the top of the deck. If they have that image/word on their Cárta, they place the selected Cárta on top of it. The first pupil to cover all six images on their Cárta wins the game.

Alternatively, just print one copy of the twelve pictures/words, laminate and cut up into Cárta. Place the deck of Cárta in the centre of the group. When a pupil selects a Cárta with the same image/word as one on their own Cárta, they cover their image with a counter or small cube and return the Cárta to the bottom of the deck.
