How to Use this Resource

1. We frequently used resources such as this to teach different categories of vocabulary to our pupils when I taught in an autism class.
2. Print, cut and laminate these cards with green images and vocabulary.
3. Firstly, teach the vocabulary using the cards with the picture and word label.
4. When the pupil is comfortable with the vocabulary, play some games e.g. place all the cards on the table and ask the pupil "Give me the ball", "Which one is the bucket", "Point to the shamrock" etc.
5. Repeat the above using the cards with no word label.
6. Then use these cards to do an assessment, using the assessment grid to record which images the pupil was able to identify correctly. This will show you which vocabulary the pupil still does not know, so re-teach and re-assess.
7. Carry out further assessments after a period of time to see if the pupil has retained the vocabulary.
8. There is also a word-picture matching activity if you want to assess a pupil's knowledge of green images sight vocabulary.
